

## JUNE 2022

**Shinfield Players' Theatre's mission is to provide a venue for creating and experiencing theatre in all its forms. We aim to continue to train and develop our membership so that everyone enjoys socialising, working together and participating in theatre.**

### From the Chairman

This month there is some excellent news to share regarding the future of our theatre.

On Friday 27th May 2022 at 7pm, Graham Vockins and I, witnessed by Jon Chishick, signed a 125 year lease of the theatre thus ensuring our future. This is an amazing achievement that has been frustratingly ongoing for over 20 years. We have to thank the initial efforts of Joff Hamilton & Henry Hawes (now the theatre's president). Our thanks go to the tenacity of Graham Vockins and Jon Chishick, who have worked tirelessly through many years and setbacks. In more recent times, we have to thank the tremendous assistance from Steven Smith whose professional advice and constant pushing and perseverance with our solicitor has been invaluable.

The signing of the lease provides security of our premises. It provides us the opportunity of making changes to the theatre. It means we can seek lottery grants. It prevents the site being sold from under our noses to developers.

**A massive thank you to everyone who has made this happen.**

Continuing the good news, the roof is now in place and the insurance company's builders have finished repairing the interior of the theatre. We now wait for the electrical items to be re-installed and the auditorium carpet to be replaced. This will take some time but we are now very close to opening up the theatre for shows. We are already back in the foyer rehearsing and I would like to thank the team of people who made the space available for us to use.

The new toilets are working - and had their first "customers" last weekend when the foyer was hired out for a private party. Thank you to Graham and his team for all his hard work.

**SAVE A DATE - the weekend of 23rd and 24th July.** Whilst we have all waited patiently and fretted about having our theatre back, a small team have been doing a sterling job keeping it going. Now it is our turn. We need YOUR help to get our theatre for next season. Every hour one of us spends over that weekend helps enormously. All skill levels are needed. A dedicated few have done their bit - now it is our turn to show what we can do and how much we care for our theatre.

Good news just keeps coming this month. I am delighted to report that we have received three NODA district 13 awards:

- Back Stage Team – District 13 Flame Award
- Graham Vockins – District 13 winner – Shelley Lemesh Award for Unsung Hero
- Millie Naylor – District 13 winner – Nigel Gravette Award for Best Performance in a Pantomime

All three are very well deserved and I hope they are successful on 19th June at the NODA London award ceremony in picking up the regional awards as well.

And finally, we have two shows in July! The youth groups are performing their shows: Saturday Night Fever at the Oakwood centre in Woodley and the Junior & Middle Groups Treasure Island at SPT. See the website for all the details. Do come and support - by watching, front of house or chaperoning.

Look forward to seeing you soon  
Gordon

## Fundraising Appeal for Go Fund Me

Thank you everyone for your kind and generous support. We have reached £5,110 which exceeds our initial target of £4,000 for the roof improvements.

We are very grateful for your generous donations.

There is still need to raise further funds for the Green Room roof. It is very spongy, probably caused by the wear from gaining access to the auditorium roof plus the weather.

The expected cost is £2K so we are hoping to update the Go Fund Me page to raise funds for this important repair.
