

# **SPT** BOARDREADER SHINFIELD PLAYERS THEATRE

**January 2022**

**Shinfield Players' Theatre's mission is to provide a venue for creating and experiencing theatre in all its forms. We aim to continue to train and develop our membership so that everyone enjoys socialising, working together and participating in theatre.**

**Happy New Year!**

## **From the Chairman**

Happy New Year!

A year ago we were in lockdown and the hobby we so enjoy was drastically restricted until the Autumn. Luckily, as the restrictions relaxed, we were able to produce a play, a musical review, a carol concert and a youth production since September. We are also in rehearsal for our next play and pantomime and about to hold auditions for the next musical (Our House).

Being involved in some of these productions, made me realise just how much I missed meeting and working with my old friends and the pleasure of meeting new ones. I just hope, like you all, that we are able to proceed safely and continue with our planned productions.

Over the last few months we have also been very busy renovating the toilets in the foyer. A huge thanks goes to Graham and his team for working so many hours to ensure that we have new facilities to look forward to in the New Year.

And finally, I would like to take this opportunity to wish all the readers, members past and present, a very happy, healthy and theatre full 2022.

### **Shinfield Players Youth Group Review**

'It is very exciting to see young performers taking their first tentative steps on stage in front of a live audience and the Shinfield Players Youth Group Review showcased the work of Junior Youth group (8- to 11-year-old), the Middle Group (11- to 13-year-olds) and the Senior Group (14- to 18-year-old) from their weekly sessions. It was great to see a diverse range of young performers tackling a challenging mix of sketches, songs, dance routines and even Shakespeare....

Overall, this was a chance for young performers to make their stage debuts, and after 18 months away it must have felt like a first time for many others, but they seized the opportunity and delivered a good showcase for their potential and a step in their development as performers. They and their Group Leaders deserve the applause and congratulations that the show attracted, and I hope are encouraged to build on this experience in longer pieces in the future.'

### **Next Committee Meeting**

The next committee meeting is on Wednesday the 26th January. We'd love to hear from our members, so if you have a questions you would like to submit to the committee, please send it to [secretary@shinfieldplayers.org.uk](mailto:secretary@shinfieldplayers.org.uk) by Friday January 21st 2022.
